Information about this new formula from Similac was included in the [February I-Memo](#) and hopefully will be added to the [Abbott website](#) when the product begins shipping in April 2013.

Similac® Total Comfort is rebate-eligible and has been added as a choice when tailoring infant and child food packages effective June 1, 2013. Special authorization is not required to issue Similac® Total Comfort for infants, but is required to issue any formula to a child.

ACTION REQUIRED: Notify all WIC staff that Similac ® Total Comfort is available to issue to infants and children requiring a formula on checks with a first day to use on or after June 1, 2013.

If you have any questions regarding this memo, please contact the state staff member assigned to your agency.
